Compiled by Dr. Will Tuttle
For World Peace Diet Circle Members

“Many people, especially ignorant people, want to punish you for speaking the truth, for being correct. Never apologize for being correct, or for being years ahead of your time. If you're right and you know it, speak your mind. Even if you are a minority of one, the truth is still the truth.” - Mahatma Gandhi

We'll know our disinformation program is complete when everything the American public believes is false.” – CIA Director William Casey
