Compiled by Dr. Will Tuttle For World Peace Diet Circle Members

"Despise the glare of wealth. Those people who pay greater respect to a wealthy villain than to an honest, upright man in poverty, almost deserve to be enslaved; they plainly show that wealth, however it may be acquired, is, in their esteem, to be preferred to virtue." John Hancock, 1774

"For to be free is not merely to cast off one's chains, but to live in a way that respects & enhances the freedom of others." - Nelson Mandela
