

## August 2021 – Resources for World Peace Diet Circle

Compiled by Dr. Will Tuttle  
For World Peace Diet Circle Members

*“Diet, injections, and injunctions will combine, from a very early age, to produce the sort of character and the sort of beliefs that the authorities consider desirable, and any serious criticism of the powers that be will become psychologically impossible. Even if all are miserable, all will believe themselves happy, because the government will tell them that they are so.” – Bertrand Russell, 1953, *The Impact of Science on Society*, p. 50*

*"Disobedience is the true foundation of liberty. The obedient must be slaves." - Henry David Thoreau*

*“This isn’t science, it’s tyranny.” – Jon Rappoport*
