Compiled by Dr. Will Tuttle
For World Peace Diet Circle Members

“Justice in the life and conduct of the State is possible only as first it resides in the hearts and souls of the citizens” – Plato

“Every day, without prejudice or malice, I take care of vaccinated with neuropathy, blood clots, heart damage, and help families cope with vaccine cardiac arrest. I don’t blame them for their unhinged, hateful propaganda—they are the ones sick and dying, not the unvaccinated.” – Dr. Peter McCullough

“Disobedience, in the eyes of anyone who has read history, is humanity's original virtue. It is through disobedience that progress has been made, through disobedience and through rebellion.” -- Oscar Wilde
